Application No. 10/080,818

Amendment dated June 13, 2003

Reply to Office action of March 14, 2003

In the Drawings:

Applicant submits herewith a replacement drawing sheet 3, with FIG. 3 being amended to replace the incorrect reference numeral "28a" pointing to the end of the female barrel with the correct reference numeral "24b", as requested by the Examiner.

Application No. 10/080,818
